ALEXANDRIA, December 10, 1867

To the Honorable City Council.

Gentlemen:—Please find a copy of a commu

nication forwarded to the Honorable County Court of Alexandria county, at the December term, with the accompanying fetter. Believing that the Council possessed no jurisdition in the premises, I submitted the matter to said Court, suggesting co-operation with the County Court of Fairfax county. Under existing circumstances, without a Legislature to appeal to the only proper course to be pursued would be to apply to General Schofield to authorize the Courts of Alexandria and Fairfax counties, separately or jointly, to appoint an inspector for either or both counties. The Alexandria County Court has dec'ared that there is no jurisdiction in said Court; it has thus faller still-born and an appearant indiffer.

thus fallen still-born, and an apparent indiffer-ence manifested by said Court, which is unintelligible to med DOTE dalag Without presuming to know anything about

the disease alluded too, but believing that, the gentlemen who prepared the paper, did know, I thought it of sufficient importance to treat the petitioners and apetition with that pourtesy which both deserve, and not exhibit, my ignorance by declaring my disbelief in the existence of the disease. These considerations and the action of the County Court have prompted me to submit the matter for your consideration. The Market Master, Superintendent of Police and Police Officers have under existing laws supervisory control over the selling or offering for sale of tainted or unsound meat. Some steps should be taken to prosect our cit izens against the evil effects of this most danger

ous disease, and I thus submit it. HUGHE TATHAM, Mayor. The whole matter was referred to the Super intendent of Police. starontall get
